

HPHS Orchestra 2023-2024

To initially fund the Highlander Strings Orchestra program for the 2023-2024 academic year, the Booster Club must collect an upfront operations fee per student. This is the basic fee that EACH student member must pay. Additional fees are included on the form below for items the student might need above and beyond the initial operations fee.

Fees are due by September 8, 2023. Please reach out to me if you need assistance with fees or have questions.

Fill out the form below and I will send you an invoice with payment options that will include check and credit card payment options.
